

Baker-Koren Round Barn Farm Wine Festival

Dear Sponsor,

The Manhattan Park Foundation is excited to announce that the Twelfth Annual Round Barn Farm Wine Festival will be held on Friday, September 20, 2019 at the historic Baker-Koren Round Barn Farm Park, located at the southeast corner of Baker Road and Route 52. Events of this nature start with the generous support and donations from individual sponsors and businesses like yours. Revenue generating events such as Manhattan Wine Fest will help to strengthen the District's ability to continue future preservation and enhancement of our, parks, facilities and open spaces.

The Baker- Koren Round Barn Farm Wine Festival is one of many events that bring people from all over and allows us the opportunity to showcase our historical venue. The Manhattan Park Foundation is proud to have donated over \$65,000.00 to the Manhattan Park District towards the preservations, enhancements and expansion of its parks, facilities and open spaces. Our constituents are loyal and are increasing in numbers every year. We hope you will join us in our endeavors to preserve this historical venue and its new recreational offerings.

As a sponsor we are offering you an opportunity to participate in our fundraising effort for this worthy cause. Our plan is to prominently display the names of all participating sponsors at the event and through many advertisements. As always, your charitable donations are tax deductible. For further information about the Baker-Koren Round Barn Farm Park Site, please visit: www.manhattanparks.org.

Sincerely,

Kevin Malone
Co-Chairperson, Wine Fest Committee President
Manhattan Park District Foundation
